

THE CORPORATION OF THE DISTRICT OF CENTRAL SAANICH

COUNCIL POLICY

Adopted by Council Effective Date July 10, 2017 Amendment Date(s):	POLICY NO. 05.Fin
	File No: 340/2017
SUBJECT: LIVING WAGE EMPLOYER	
Category: Finance	

PURPOSE: - The purpose of the District of Central Saanich's Living Wage Policy is to ensure that all District Staff and Service Providers to the District who work on District premises for a specified period of time earn, at a minimum, a living wage.

APPLICATION: This policy applies to all employees, officers and other designated persons acquiring goods, services, rentals, leases and construction on behalf of the District of Central Saanich.

OBJECTIVES AND PRINCIPLES

1. Definitions

District refers to the District of Central Saanich.

Declaration is a document signed by a service provider confirming their compliance in paying a living wage to their employees covered under this Policy.

Employees are all staff employed by the District through employee agreement or collective agreement in either a full-time, part-time or auxiliary capacity.

Living Wage is the hourly rate of pay that enables wage earners living in a household to:

- Feed, clothe and provide shelter for their family
- Promote healthy child development
- Participate in activities that are an ordinary element of life in the community
- Avoid the chronic stress of living in poverty

This hourly rate is calculated based on the living expenses of a family of four with two children aged 4 and 7, with both parents working full-time (35 hours/week).

Premises are all District owned buildings and facilities.

Service Providers are companies and their employees that have a direct business relationship to the District of Central Saanich. These employees are individuals that perform services to the District on District premises.

Sub-Contractors are companies and their employees that have been sub-contracted by our Service Providers. They do not have a direct business relationship with the District of Central Saanich.

2. Implementation, Compliance and Enforcement

Existing contracts still in force at the time of implementation of this policy will be grandfathered until such time as the contract expires or is renegotiated, whichever comes first.

The Living Wage for the Capital Region will be calculated annually by the Community Social Planning Council based on the methodology developed by the Living Wage for Families Campaign as noted above.

This Policy will encompass all District employees, Service Provider and Sub-contractor employees with the following exclusions:

- Students seeking work experience credits for educational purposes;
- Volunteers;
- Community Service Organizations;
- Employees of organizations (for-profit or not-for-profit) that lease space or property from the District.

The District, as a Living Wage Employer, will ensure all staff is paid no less than the living wage as established in the year of ratifying of any of the District's Employee Agreements and Collective Agreements with its Unions. The District will not open up any existing employee Agreements or Collective Agreements during its existence to adjust hourly rates in the event those hourly rates dip below the Living Wage for that year. For example, if in year 2 of a 3 year Agreement an employee's hourly rate falls below the Living Wage hourly rate for that present year, no alteration to the Collective Agreement will be considered.

This rate can be achieved through a combination of hourly wage plus non-mandatory benefits. Non-mandatory benefits include employer contributions that help reduce an expense item that make up the living wage calculation such as extended health/dental care, MSP premiums, child care expenses, transport expenses, professional education development, enhanced vacation and sick leave, etc. They do not include payments that an employer is mandated by law to provide such as Employment Insurance and Canada Pension Plan contributions.

The District has established the following criteria to determine a service provider's or subcontractor's eligibility under the Living Wage Policy.

- An employee of a service provider or of its sub-contractor must perform services physically on District premises,
- Work must last longer than one continuous hour per occasion.

The District requires all service providers and sub-contractors, whose services fall within the parameters established within this policy, to be compliant for the duration of their contract with the District. Any existing contracts that are in place at the time of inception of this policy will not require immediate compliance should their wage rates be lower than that established Living Wage rate. However, a contract will require compliance at time of renewal.

The District will incorporate into all of its higher value competitive bid documents (Invitations to Tender and Requests for Proposal) a sample declaration to be signed as part of the Service Provider's contract with the District. Sample Declaration is attached.

The District will enforce the Policy by performing audits of its Service Providers and Subcontractors when notification of non-compliance is received by the District. These audits may take the form of a review of paystubs issued by the vendor under review or any other means pertinent to arriving at a determination.

Non-compliance may result in the cancelation of the Contract at the discretion of the District
