Form 1 Owner's Acknowledgement

- I acknowledge that the owner of the land in respect of which this permit is issued is solely responsible for carrying out the work authorized by this permit in accordance with the Building Code and other applicable laws respecting safety, including the requirements of the Building Code in relation to soil conditions for building foundations.
- I acknowledge that the owner of the land is also solely responsible for determining whether the work authorized by this permit contravenes any covenant, easement, right of way, building scheme or other restriction affecting the building site, and whether the work requires the involvement of an architect under the *Architect's Act* or an engineer or geoscientist under the *Engineer's and Geoscientist's Act*.
- I acknowledge that the District of Central Saanich provides a limited monitoring service in relation to building construction and does not, by accepting or reviewing plans, inspecting construction, monitoring the inspection of construction by others, or issuing building or occupancy permits, make any representation or give any assurance that the construction authorized by this permit complies in any respect with the Building Code or any other applicable laws respecting safety.
- If the District of Central Saanich has so indicated on this permit application, I acknowledge that the District will issue the permit in reliance on the certification of a registered professional, engaged by me to provide such a certification, that the plans for the work authorized by the permit comply with the Building Code and other applicable enactments, and that the fee for the permit has been accordingly reduced. I acknowledge that the District, by issuing this permit or any occupancy permit, makes no representations to me or any other person as to any such compliance.

The undersigned owner/authorized agent of the owner makes application for the permit specified herein, and declares that the information submitted in support of the application is true and correct in all respects.
