DO NOT SCHEDULE A TREE CONTRACTOR BEFORE OBTAINING YOUR PERMIT

Section 11 of the Tree Protection Bylaw does allow for the removal of a high hazard tree BEFORE obtaining a permit: nothing in the bylaw or tree permit process delays you from removing a legitimate, immediate hazard - ask your Arborist.

Neither the granting of this tree cutting and/or pruning permit nor the approval of the relevant drawings and specifications by the District shall in any way relieve the Owner from full responsibility of carrying out the work or having the work carried out in accordance with the requirements of the Arborist's report and municipal bylaws.
