

## Business Electric Vehicle (EV) Charger Grant

Central Saanich's Business EV Charging Grant offers up to 50% of the overall cost of installing a Level 2 charging station (max. \$5,000 grant per station) to local businesses seeking to add a public charger to their site. The owner of the property must match the contribution and applications will be assessed on a first-come-first-serve basis.

### Are you eligible?

Existing businesses, not-for-profit organizations, and indigenous communities with businesses that provide a public service within the District of Central Saanich would be eligible, with written consent from the property owner.

Stations must be available for public use before, during and after business hours and remain accessible 24 hours per day, throughout the year. You may charge a cost related to the amount of time spent at the charging station by your customers, employees or the general public.

Please visit [CentralSaanich.ca](https://www.centralsaanich.ca) to learn more and to see if you may be eligible to participate in this program.

**Application for the Grant is available on the following page.**

## Application for Business EV Charger Grant

Application Date

Applicant Name

Business Phone

Business Name

Business Address

Cell Phone

Email

Describe the EV charging station installation proposed. For example, you could outline who will help you do the work or the type of EV charger, electrical or other upgrade works you expect. Maximum 150 words.

Expected Budget

Have you attached a photo of your parking site?

Signature

Yes

No

Program Applications will be evaluated on their ability to meet the Program purpose and design guidelines.

Applications will be processed on a first-come first-serve basis beginning October 2022. Application deadline is December 31, 2022.

All projects during this intake period must be completed by December 31, 2023 to be eligible.

The grant program will re-open again in 2023.

### To submit

Save this form and email it to: [climate@csaanich.ca](mailto:climate@csaanich.ca)

Or, deliver: Municipal Hall, 1903 Mount Newton Cross Rd

Please remember to submit digital photos of the proposed installation site.

### Questions?

Phone Jennifer Lukianchuk, at 250.652.5789 or email [climate@csaanich.ca](mailto:climate@csaanich.ca)

Upon completion, the participant must agree to allow the District to publicize the EV charging station installation and its location, of which has been supported by the grant.

Please note that municipal (e.g., sign permit) and other non-municipal permits for your project would be required.
